Subject: Travel to Upper Animas

Hi Sue.

Mike Rudy and I are planning a site visit to see the Upper Animas site and take a look at the Red Mountain mining properties that are currently part of the Tronox environmental trust. Can you help us with the TAs? We want to fly to Durango on September 21, rent a car, a 4 wheel drive, and fly back to Denver from Durango on September 24. We will make our own hotel reservations - Steve Wharton is going to give me some suggestions as to where to stay.

I would like to go ahead and get these TAs in the hopper because there is an August deadline for TAs for travel this fiscal year.

Thanks for your help.
